Hire Bike Information and Fees

HIRE BIKE INFORMATION

All required hire bike forms and waivers must be **fully completed and signed** before the bike is handed over to the person hiring it. Valid **licence details and identification must be sighted and verified** by Colo Adventure Park staff prior to the release of any hire bike. No hire bike will be released until all required documentation, waivers, licence and identification requirements have been completed and approved by CAP Management.

HIRE BIKE RIDING DISCLAIMER

All riders must be able to safely and competently control the hired motorcycle at all times, including the proper use of the **clutch, brakes, throttle, steering and other controls**. Riders may be required to demonstrate their ability to safely operate the bike before or during their hire. Failure to demonstrate adequate control, or any unsafe or inappropriate riding, will result in the **immediate removal of the rider and/or hire bike, with all hire gear being recovered**. Hire bikes are **not suitable for Black Track riding** and must not be ridden on any Black Track without the **express prior permission of Colo Adventure Park (CAP) Management**. All TTR hire bikes are strictly **not suitable for log jumping** and must never be used for this purpose. Any rider who uses a hire bike for log jumping will **forfeit their security deposit**, and the rider will be responsible for **all costs associated with damage, repairs, replacement parts and/or other losses** resulting from such use.

Unless participating in a **beginner riding lesson**, hired bikes are expected to be ridden by riders who already have some prior motorcycle riding experience and are confident operating a bike safely and responsibly. If you are new to riding or do not yet feel confident controlling a motorcycle, please wait until the next **Beginner Lesson** to hire a bike. Our beginner lessons are designed to help new riders learn the essential skills and build confidence in a safe and controlled environment before riding independently.
